MONSTAR STEP

Outperforms other similar safety steps in longevity and strength.

The all new **MONSTAR STEP®** is the only plastic safety step that has superior design features over existing injection moulded safety steps available in Australia. The Monstar Step is a quality, cost effective solution designed for intermittent use. Designed to be durable, safe and robust.

MONSTAR STEP® has a large, safer area of non slip tape including an indentation on the lower step so the tape will not wear away - ensuring longevity of non slip surface.

- Large Deck Size - 370mm x 370mm.
- Fully Fitted with Non-Slip Tape.
- Four Way Access.
