

rotatruck Pro Tall Hand Truck

230kg Rated - Aluminium - All-Terrain Trolley

FEATURING

- 
Self-Supporting Design: The innovative Rotatruck design fully supports the load, minimising the need to balance or pull back weight, thereby reducing user effort and enhancing productivity.
- 
Ideal for Demanding Environments: Perfect for use in warehouses, moving companies, industrial settings, and outdoor or rough terrains, ensuring efficient and safe material handling.
- 
Omni-Directional Mobility: Equipped with 125mm Rotacaster wheels, the Rotatruck offers exceptional maneuverability, allowing continuous forward movement over curbs without the need to reverse.
- 
All-Terrain Capability: Featuring robust 250mm puncture-proof foam-filled rear wheels, this hand truck navigates rough surfaces with ease, making it suitable for various environments.
- 
Ergonomic Handling: Designed with an extra-high vertical loop handle, the Rotatruck is ideal for transporting taller loads, such as appliances, providing enhanced control and ease of use.
- 
Stable Load Support: Comes with a 460 x 230mm extruded nose plate, providing a stable base for carrying heavy or irregularly shaped items.

TECHNICAL PROPERTIES

Item Code	11-23AT-17-PA
Capacity	230kg
Frame Width	305mm
Overall Width	460mm
Overall Height	1520mm
Nose Plate Size	460 x 230mm
Front Wheels	2 x 125mm R3 Rotacaster wheels
Rear Wheels	2 x 250mm Puncture-proof Foam Filled Rear Wheels
Weight	17kg
Warranty	1 year
